

Apor Vilmos Catholic College – Erasmus+ Course

Course title: Intercultural Dialogue through Story-Telling

Credit: 3 ECTS

Course description:

The course **aims at** developing interaction, communication among students of different nationalities through discussing **children's literature and using** different ways of **storytelling**. It emphasizes the importance of promoting awareness of the values of one's own tradition and cultural heritage and learning about the values of other cultures. The course provides both academic and practical background. **Theoretical aspects** comprise reading, analyzing, comparing nursery rhymes, nursery tales, folk-and fairy tales, literary pieces. **Practical aspects, pedagogical applications** are also emphasized. Students will become familiar with different ways of storytelling, and they will research possible ways of working with children preparing lesson plans.
