

# Social Issues in Contemporary Europe

Are you interested in social issues?

Are you concerned about the future of Europe?

Are you committed to doing something great for your community?

Then, join us in our **International Week!**

We believe that the future of Europe is in the hands of the Erasmus generation!

**What?**

Discuss common challenges, encounter different opinions, learn about other cultures and education systems, visit schools, acquire new teaching methods, explore Budapest, make new friends, take part in leisure activities and have fun!

**Where?**

Apor Vilmos Catholic College, Vác, Hungary

**When?**

9-13 April 2018

**With whom?**

International students and teachers from across Europe
